How Village Academy students spend our hours at home

Homework completed, with my absolute best effort

Organize:

- √ My homework is completed with my best effort, and moved to the left side of my homework folder, organized in class order.
- √ My planner and any school letters/forms are signed by my parent/guardian, or I have placed in our designated spot to be signed.
- √ I have 6 sharpened pencils in my pencil case, and blank college-ruled and graph paper in the back of each binder.
- √ My binders and homework folder are super-neat and organized.
- √ My backpack is packed up and ready to go.
